Crown Vic Lighting Package

WHELEN® POLICE

Crown Vic Lighting Package

WeCan™ Lightbars

WeCan electronic control module (ECM), communicates all lightbar operating functions via small 2c 20 gauge cable. All functions are programmed via simple window® based "pick & click, or drag" screens.

*Liberty SW3***, Independent control of each lighthouse.*

Freedom FW8/FV8, Independent control of each lighthouse.

*Freedom II FC8***, Allows individual control of upper and lower levels of each lighthouse. (Windows® based 2000, XP or later operating system required.)*

Liberty

Inner-Edge™ Lightbars

Front Facing:

109UF8, 110UF8, 110UF4P, Super bright Super-LED modules mounted in a rugged housing that fits snugly against the upper front windshield. These full featured interior lightbars are virtually undetectable when not in operation. The Scan-Lock™ feature provides multi flash patterns.

Rear Facing:

102LR8L, Eight Linear-LED warning lights or Traffic Advisor™. Also available are a six lamp version or an eight lamp unit with six lamp Traffic Advisor with two end flashers.

102UR8LT, Eight Linear-LED with a six lamp T.A. with end flashers (shown). Also available in eight lamp warning light or Traffic Advisor™. TIR3 models available with eight and ten lamps for warning or T.A., and 6 lamp T.A. with single or dual end flashers.

Inner Edge

Talon

Three Light Inner Edge
