

LED Forklift Light

AMBER LED 36 VOLT LIGHTHEAD

Officially Licensed
Warning Lights Of
NASCAR®

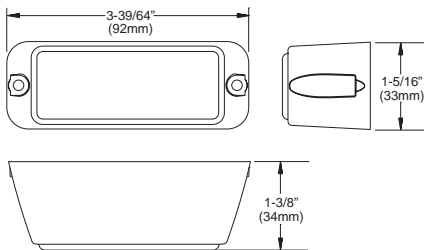

Model FL36VA

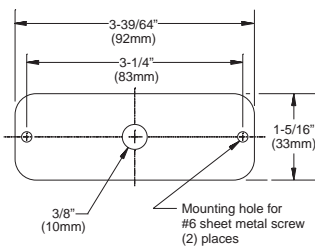

Replace existing low light forklift lights with highly effective, highly reliable LED Lights

DIMENSIONS

MOUNTING

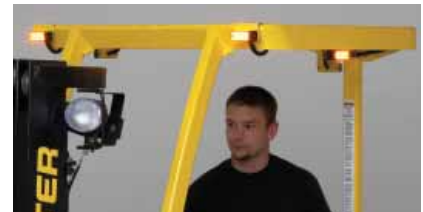

FEATURES

- Easily replaces outdated 36V halogen and strobe lights using existing wiring and switches.
- LED technology is high performance, long lasting and uses very low current.
- Lights are fully encapsulated for vibration and moisture resistance.
- Flashing lights do not affect operator's vision.
- Lights provide effective warning even when the forklift is loaded.
- 150 single flashes per minute with optic lens provides highly effective warning.
- Compact size installs on almost any surface of the forklift.
- Rugged black ABS mounting flange.
