

**NEW**

## **ACCESS® Motion LED Compartment Light**

**Item No:** ACC90392

**Price:** \$39.95 each

As easy as peel and stick. These waterproof motion-triggered LEDs give you light where you need it. The 18-inch LED strip automatically turns on whenever the sensor detects motion in the dark, so you don't have to fumble around trying to find a switch.

Light up your trunk, truck bed, storage box, and any other accessed space. Great for equipment storage compartments on firetrucks and weapon equipment storage drawers and cabinets.

- 18" bright white light
- Battery operated - No wiring necessary. Uses (3) AA batteries, not included.
- Adjustable auto shut-off (factory set to turn off after 1 minute of no motion)
- High strength 3M adhesive on light strip and battery box
- Waterproof
